

**Fred Andreae represents the
National Trust for Historic
Preservation on the Park**

Advisory Commission. He is a registered architect and a member of the American Institute of Architects. He has practiced in Front Royal since 1980 and

has lived on the Milford/Overall Civil War battlefield in Warren County since 1972.

During the last twenty-five years he has worked with numerous nonprofit organizations and has served thirteen years on the board of directors of Belle Grove, Inc. For four of those years he was president. Through his work with Belle Grove, Andreae developed an important relationship with the National Trust for Historic Preservation. Fred Andreae is one of the cornerstone members who drafted the legislation that led to the creation of Cedar Creek and Belle Grove National Historical Park.
